

Parking Lot

[Return to Administrivia](#)

Instructions

[Return to Top](#)

List of actions requiring attention in the Wiki, in other words, this section is a parking lot for sections waiting to be worked on some way - completed, moved, edited, reviews, etc.'

Example

To assign a task to an individual, use the following syntax inside of the page:

```
<todo @user>TBD</todo>
```

[user]Demonstration todo

or

```
<color blue><todo @user>This is a demonstration todo</todo></color>
```

[user]This is a demonstration todo

Where

- @user is the name of the OMG-CBDC WG Wiki user, such as nick

Todo tag

A "todo" tag can be added anywhere in the page. These are collected and displayed in an area called Parking Lot which can be "worked off"

Username in the wiki that is assigned to work on the "todo"

Username in the wiki that is assigned to work on the "todo" and the person who "checked" that the work was done

Color tag is just helps highlight the Todo on the page

```
<color blue><todo #char>New Section -- review </todo></color>
<color blue><todo #char #char:2021-11-09>change the list above to nspages</todo></color>
<color blue>
<todo #char #char>2021-11-09>
Change the subsection page names to K.1, K.2, etc. similar to App F
</todo>
</color>
```

<input type="checkbox"/>	[char] New Section -- review
<input checked="" type="checkbox"/>	[char] [✓ char: 2021-11-09] change the list above to nspages
<input checked="" type="checkbox"/>	[char] [✓ char: 2021-11-09] Change the subsection page names to K.1, K.2, etc. similar to App F

Check the box to acknowledge todo - We usually check when we think it is resolved

Figure 1: How to use the "todo" tag

For more information, see the "todo" Plugin Document: <https://www.dokuwiki.org/plugin:todo>
