Documentation Workstream

The Thursday “Workstream” sessions now cover documentation work for the FIBO RFC specification documents, and the annotation metadata completion works.

Back to start

Session Notes

- Previous notes: 17 May Conformance Points notes
- 26 April session notes
- 19 April session notes

Draft RFC Specification

- CURRENT DOCS AS SUBMITTED:
- FIBO Foundations RFC - ref: finance/12-05-01
- FIBO for Business Entities RFC - ref:finance/12-05-04
- Previous formal submission:
- Version as submitted into OMG March meeting.

History

- Original Submitted to OMG (Nov 14)
- Update December for Santa Clara
- Update filed as finance-12-02-01 above, for potential vote at March OMG meeting - voted not to put this forward until June
- Currently working on two specifications which will form the May upload for discussion and voting at the June OMG meeting
