

# Documentation Workstream

The Thursday "Workstream" sessions now cover documentation work for the FIBO RFC specification documents, and the annotation metadata completion works.

Back to [start](#)

## Session Notes

- Latest Notes: [Review session notes 24 May on document errata](#)
- Previous notes:
  - [17 May Conformance Points notes](#)
  - [26 April session notes](#)
  - [19 April session notes](#)

## Draft RFC Specification

- CURRENT DOCS AS SUBMITTED:
  - [FIBO Foundations RFC - ref: finance/12-05-01](#)
  - [FIBO for Business Entities RFC - ref:finance/12-05-04](#)
- Previous formal submission:
  - [Version as submitted into OMG March meeting.](#)

## History

- Original Submitted to OMG (Nov 14)
- Update December for Santa Clara
- Update filed as finance-12-02-01 above, for potential vote at March OMG meeting - voted not to put this forward until June
- Currently working on two specifications which will form the May upload for discussion and voting at the June OMG meeting
