

DDS Journal

[return to the Public Area](#)

The DDS Journal is a semi-annual scholarly refereed Journal dedicated the use of the Data Distribution Service (DDS) in decentralized applications covering architecture, modeling, simulation, integration and testing.

- A scholarly journal or periodical which requires that each article submitted for publication be judged by an independent panel of experts or scholarly/scientific peers.
- Articles not approved by a majority of these peers are not accepted for publication by the journal.
- Peer review is a well-accepted indicator of quality scholarship.
