

# Ethereum: Truffle Suite

[Return to the Ethereum Standards](#)

## Overview

[Return to Top](#)

**Truffle Suite** is an ecosystem for [Distributed Application \(DApp or DApp\)](#) development, and it essentially consists of three different parts: [Tool: Truffle](#), Ganache, and Drizzle. This is a well-established ecosystem utilized by a high number of developers. Furthermore, the goal of **Truffle Suite** is to ensure a more accessible development process.
