

Semantics Of Business Vocabulary and Rules (SBVR)

[return to the OMG Standards](#)

Title	Semantics Of Business Vocabulary and Rules
Acronym	SBVR
Version	1.4
OMG Document Number	ptc/2018-12-08
Release Date	May 2017
About Specification	https://www.omg.org/spec/SBVR/
Document	https://www.omg.org/spec/SBVR/1.4/PDF

Note: The following is an excerpt from the actual document. It is provided here as a convenience and is not authoritative. Refer to the original document as the authoritative reference.

Scope

General

This specification defines the vocabulary and rules (see Clauses 7 through 21) for documenting the semantics of business vocabularies and business rules for the exchange of business vocabularies and business rules among organizations and between software tools.

This specification is interpretable in predicate logic with a small extension using modal operators. It supports linguistic analysis of text for business vocabularies and business rules, with the linguistic analysis itself being outside the scope of this specification.
