About

Note: The following is an excerpt from the official License web site. It is provided here as a convenience and is not authoritative. Refer to the original document as the authoritative reference. <https://www.apache.org/licenses/LICENSE-2.0.html>

The 2.0 version of the Apache License, approved by the ASF in 2004, helps us achieve our goal of providing reliable and long-lived software products through collaborative open source software development.

All packages produced by the ASF are implicitly licensed under the Apache License, Version 2.0, unless otherwise explicitly stated.
