Welcome to the FACE-OMG Interoperability Wiki

The Object Management Group (OMG) and Future Airborne Capability Environmrnt (FACE) are considering the formation of a joint working group, to encourage the growth of both FACE and OMG tech by

- Helping FACE better use OMG tech such as IDL and language mappings
- Defining FACE-conformant implementations of OMG tech such as CORBA and DDS

About

FACE

WIKI Organization

The OMG FACE Wiki site is organized into a private and a public area.

Private Area

for internal use only

Public Area

for public consumption

Note

- OMG WG members have read/write access to the private space.
- FACE WG members have read-only access to the private space.
- Only "DoD DISTRIBUTION A. Approved for public release: distribution unlimited." materials should be posted to this wiki in either space.
- This wiki is not authorized for "DoD Controlled Unclassified Information (CUI)" or "DoD Classified Information".
