# Build a Better Civic Future:

## Lead the Change with Knowledge Services

***Data and Digital Asset Management for Civic Good***

*Version 2.0*

*June 202*

Heather D. Crondahl

***Enterprise Architect Enterpreneur***

---

## Abstract

*This white paper discusses opportunities for organizational change that will support federal, state, local, tribal, and territorial governments in achieving enterprise-wide cost savings, improved government efficiency, economic development, and civic engagement through the development of knowledge services.*

- xapend.b_stds
- xapend.c_hwarch
- xapend.d_opsys
- xapend.e_tools
- xapend.h_acronyms

---

# PDFs

The following are provided for those readers who would like to download a printable albeit **static** copy of this RA, current as of the month/date shown.

- DIDO-RA 2.0 PDF (June 2020)
- DIDO Data Model (DIDO-DM) 1.0 PDF (June 2020)
- DIDO-RA 3.0 PDF (Slim Version - June 2021)
  This is a “slimmed down” version of the RA: it does not include the full content of Appendices A through F. For Appendices A and C to F, just the first pages; for Appendix B, these three pages: “Appendix B”, “Technical Standards Bodies”, and “de facto Standards Bodies”. Any links to entries in these six Appendices will direct the reader back to the DIDO Wiki.
- DIDO-RA 3.0 PDF (Compact Version - June 2021)
  This version is much larger but still not the whole. It contains a truncated version of Appendix B, i.e., three pages only: “Appendix B”, “Technical Standards Bodies”, and “de facto Standards Bodies”. Any links to pages in Appendix B *other than these three pages* will direct the reader back to the DIDO Wiki.
